2022 MJS Grant Application for Teachers

The MJS Centre’s grant scheme is provided by the Nippon Foundation Fund for Japanese Language Education Program (NF-JLEP) (https://www.nf-jlep.org/). All grant recipients will also receive a lifetime membership of the NF-JLEP Fellows.

The grant scheme is designated to support teachers’ **professional development** to enhance their aptitude as leading Japanese language teachers in Australia.

It may be used for example for language/cultural immersion and/or field work in Japan, enrolment in a formal language course, conference presentation and/or teaching relief for such activities. It may also be used collectively for the development/establishment of a workshop, website or resources for teachers’ professional development.

Each grant will be **$3,000**, available for up to three successful applicants. The MJS Centre Committee will make the final decision regarding the allocation of each grant and no further correspondence or communication shall be entered into once a decision has been made.
